FRIDAY, MAY 9, 2014

The Mercer County Teen Arts Festival will be held on Friday, May 9, 2014, from 8 a.m. to 2 p.m. at Mercer County Community College's West Windsor Campus.

More than 700 students from middle and high schools in Mercer County attend the Teen Arts Festival. MCCC faculty and professional artists will provide critiques in the arts: visual arts, dance, small and large vocals, small and large instrumentals, literary and media arts, and theater.

In addition, workshops will be offered in those same genres to help build students' talents, and there will be art stops where they participate in the "Open Mic Café," singing with students from the different schools; along with henna, quilting, origami, drumming brigade and more!

Students can receive positive critiques to better their talents, enjoy the workshops, and pick up some new and creative ideas as well as walk their Community College Campus and view all that it has to offer!
